Download our new School App and pick up important messages instantly!

We've very pleased to announce that we now have our own school mobile App which you can now use to receive all of our school messages!

We'd like to encourage ALL parents to download our school App as there are a number of benefits both to you and for our school:

- It's **free** for parents to download!
- ALL school messages will be sent securely
- No need to search through a busy email inbox for important messages
- Read and respond to school messages at work, at home or on the go
- Every message sent **arrives as an instant alert** on your mobile.*** (important – see below)**

*****At the moment you'll be aware that we send text messages to you from time to time especially for urgent situations, but these are expensive, costing the school hundreds of pounds each year. If parents use the App we can start sending FREE text messages through the App, and put the money to better use. It will also allow us to send letters home via email.

To download the App for free from either the Apple APP store or the Google Play Store simply search **ParentMail Brackenagh West P S.** Please note, parents will need to be registered on ParentMail in order to access the App and will login with their existing account details.

When you log in to the App for the first time you will see this message: "Brackenagh would like to send you notifications." PLEASE CLICK ON **'ALLOW'** so that you will receive a notification each time we send you a message.

If you have previously been using the ParentMail App, you can continue using it, or simply delete it and download the School App. Whichever App you choose to use you will continue to receive messages from us as you have done previously.

Yours sincerely

M J Peacock
(Principal)
